IT'S HER TODAY!

IT'S HER TOMORROW!

Women in STEMM Summit 2023

Programme | Oxford | Dublin

Wednesday, March 8th

University of Oxford: L1 Theatre, Andrew Wiles Building

Trinity College Dublin: Jonathan Swift Theatre, Arts Building

Online: Zoom link provided for registered participants

11:30 Registration, welcome lunch, coffee and networking

12:30 Opening Ceremony

Yang-Hui He (*STEMM Global, London Mathematical Institute, Royal Institution, City University of London, University of Oxford, UK*)

Anna Baldycheva (*STEMM Global, University of Exeter, UK*)

12:45 Role Model Keynote Talk

Finding Your Inner Selfie

Yolanda Ohene (*University of Manchester, UK*)

13:15 Opening of Challenge

Women of Future: Dreams and prospective

All Universities participating

13:30 Panel Discussion

Want More Women In STEMM? Inspire Them Early!

Ruth Saunders (Trinity College Dublin, Ireland)

Emma Sokell (University College Dublin, Ireland)

Yolanda Ohene (University of Manchester, UK)

Louise Bradley (Trinity College Dublin, Ireland)

14:30 Role Model Keynote Talk

When Light meets Nano

Louise Bradley (Trinity College Dublin, Ireland)

15:00 Rising Stars in STEMM | Scientific Talks

Advanced 2D and 3D printed sensor platforms for emerging applications from on- and in-body sensing to energy storage and conversion

Loanda Cumba (Dublin City University, Ireland)

Algebraic-Geometric Approaches to Mathematical Phylogenetics

Jane Coons (University of Oxford, UK)

From cellular and tissue imaging to theranostics: tailoring brightly emitting luminescent probes to their application

Karmel-Sofia Gkika (Dublin City University, Ireland)

16:00 Networking

Thursday, March 9th

University of Oxford: Hadley Theater, The Ashmolean Museum

Trinity College Dublin: Jonathan Swift Theatre, Arts Building

Online: Zoom link provided for registered participants

08:30 Registration, Morning welcome coffee, Networking

09:15 Opening of the 2nd day of Summit

Networking workshop

09:30 Role Model Keynote Talk

When Chemistry meets nanotechnology

Silvia Giordani (*Dublin City University, Ireland*)

10:20 Panel Discussion

Career in Academia for Women in STEMM

Silvia Giordani (*Dublin City University, Ireland*)

Helen Gleeson (*Leeds University, UK*)

Christl Donnelly (*University of Oxford, UK*)

Yuliya Semenova (*Technological University Dublin, Ireland*)

11:30 Lunch

Online Poster Session | Networking

12:30 Role Model Keynote Talk

TBA

Yuliya Semenova (*Technological University Dublin, Ireland*)

13:10 | Rising Stars in STEMM | Scientific Talks

Assimilating the future: the mathematics of weather forecasts

Jemima Tabcart (University of Oxford, UK)

Characterising nanomaterials - a computational approach

Anais Colibaba (University College Dublin, Ireland)

Novel Sensing Technologies for Environmental Applications

Margaret McCaul (Dublin College University, Ireland)

14:15 | Special Session

Women in STEMM in Academia, in Industry, in Business

Anna Puig-Centelles (EU Commission, EU)

Olga Kugatkina (Infosys, UK)

Lise Pape (Walk with Path, UK)

Jennifer Stopford (Intel, Ireland)

Panel Discussion

Academia or Industry or Business - What fits female professionals better?

16:10 | Closing of the 2nd day of SUMMIT

Friday, March 10th

University of Oxford: L1 Theater, Andrew Wiles Building

Online: Zoom link provided for registered participants

10:30	Registration, Coffee, Networking
11:00	Opening of the 3rd day of SUMMIT
11:05	Special Talk
	<i>Role Models of the Past - It was HER!</i> Alena Zabolonkova (STEMM Global, King's College Taunton, UK)
11:25	Panel Discussion
	<i>Challenges for Women in STEMM</i> Anna Baldycheva (University of Exeter, UK) Monica Craciun (University of Exeter, UK) Evgeniya Kovalska (University of Exeter, UK)
12:25	Role Model Keynote Talk
	Belinda Finch (Three UK)
12:45	Closing of Challenge Panel Discussion
	<i>Women of Future: Dreams and Prospective</i> Belinda Finch (Three UK) Heather Harrington (University of Oxford, UK) Laura Shaposnik (University of Oxford, UK) Dafni Rumba (University of Oxford, UK)
13:45	Closing Ceremony
	<i>Awards Ceremony Opening Call for It's HER SUMMIT 2024</i>
